23.2.21 Evaluation report returned to PCC giving an update on the CCTV project at Marston Field

Police information

PARISH COUNCIL MEETING CRIME REPORT.

Public bodies can only disclose information if they have the power to do so. Section 115 of the Crime and Disorder Act provides a power to exchange information where disclosure is necessary to support the local Crime Reduction Strategy and Partnership in achieving the aims of the Crime and Disorder Reduction Strategy and objectives outlined within it.

The degree of disclosure that takes place must be proportionate and relevant to the level of social ill or criminality it is intended to counter or prevent.

The information is only to be processed in relation to crime and disorder purposes. Information will be handled in accordance with the Data Protection Act 1998, the Human Rights Act 1998 and any other relevant legislation governing disclosures and will ultimately be disposed of in a secure manner.

This Police Report covers the dates from 21/01/2021 – 27/02/2021.

Rogue Traders have been in the Village targeting elderly vulnerable persons, saying that their homes need work doing to them when they don't. Once the home owner agrees to work being done the price quoted increases several times.

We've patrolled the village and Smart Alerts sent out at the time, if the council can please can you also put another warning out about this scam.

Police also know to a lady coming into the Village and knocking on canal boats and other properties causing harassment, alarm and distress.

We are working with agencies around this lady who are best suited.

The new crime trend at the moment is theft of Catalytic Converters, the main type of vehicle that is being targeted is Honda Jazz's. If any of the councillors have or know some-one who has this type of vehicle please can you let them know that there are aftermarket devices which they can buy from the dealer to help prevent loss.

Officers are dealing with a lot of jobs that are going down as ASB Covid Breaches. When officers attend each job and establish if a breach has occurred then fines have and will be issued.

Officers are also working with Covid Marshalls from the Council visiting shops and engaging with staff and customers to encourage the wearing of face masks and if anyone is in breach then fines are being issued.

If Councillors have any issues/questions please email us and we'll try our best to answer them.

Use of devolved powers

Response to planning application_21/00076/FUL- LSWA PC does not have any objections to this application

Response to planning application 21/00093/FUL- LSWA PC does not have any objections to this application

Returned the request form to SSC planning for a site visit at Broadholes Lane

Responded to the NALC consultation on the Right to Regenerate as below:

The main consultation questions NALC will be responding to in this consultation are as below and NALC seeks the views of county associations and member councils in response to these questions to help inform its own submission to MHCLG:

Increasing the usefulness and effectiveness of the right

Q1: Do you consider the Right to Contest useful?

No, the process is too difficult for success.

Q2: Do you think there are any current barriers to using the right effectively, and if so, how would you suggest they be overcome?

A balance needs to be found to ensure a rigorous process is still in place under the right to regenerate whilst also being simple enough for a higher rate of success on appropriate sites.

Applications need go the LA before MHCLG for local knowledge input and give LA's the opportunity to implement an intermediate use for allocated land in the local plan

Making it clearer when land is unused or underused

Q3: Would a definition of unused or underused land be useful, and, if so, what should such a definition include?

Yes, a criteria should be implemented to identify areas or underused and unused land and should include a time scale for proposed use. Allotments and open spaces should not be included as an identifiable area

Extending the scope of the right

Q4: Should the right be extended to include unused and underused land owned by town and parish councils?

No, Parish Councils are diligent with land and uses and are mindful of historical uses/implications of the land. Councilors are elected at local level and are entrusted to act appropriately and diligently for their parish

[NALC Supplemental Question: Do you think that this proposal could lead to a back way in for developers to acquire redundant council-owned land and buildings? Yes, it is concerning and open to fraudulent and corrupt behavior

Land where a public body has an intended use

Q5: Should the government incentivise temporary use of unused land which has plans for longer term future use?

Yes, as per question 2 LA's should be encouraged to find an intermediate use for land whilst waiting for implementation of the local plan etc

A greater role for local authorities

Q6: Should the government introduce a requirement for local authorities to be contacted before a request is made? Absolutely, local knowledge is imperative knowledge

Presumption in favour of disposal

Q7: Should the government introduce a presumption in favour of disposal of land or empty homes/garages where requests are made under the right? No, all applicants should be viewed equally and without time constraints (to protect charities etc who may need time to raise a bid) LSWA PC feel that localism is being taken away with this proposal

Publicity and reporting

Q8: Do you agree that the government should require these publicity measures where requests are made under the right? Yes, to adhere to transparency and accountability. This should not just be digitally as this is exclusive of many parishioners

Right of first refusal

Q9: Should government offer a 'right of first refusal' to the applicant as a condition of disposal? No, as per question 7 all applicants should be viewed equally

Conditions attached to disposals

Q10: Should the government impose conditions on the disposal of land? And if so, what conditions would be appropriate? Yes, conditions should be appropriate and follow local plans and any local constraints

Q11: Do you have any additional suggestions regarding reforms that could improve the effectiveness of the Right to Contest process? Yes, LSWA PC feel that brownfields and greenbelts sites should follow a separate process for consultation. Given the nature of the two areas it is difficult to consider what is appropriate for each are under the same rulings. What is appropriate for a brownfield site may not be appropriate for a greenbelt site.

115. District report

Not available

116. County report:

Recent motions passed at cabinet include:

- Implementation of updated policy on education infrastructure
- Special education needs and disability- a new strategy has been introduced over the next 5 years which details how services and support will be provided
- A bid to National lottery regarding the Stafford archive expansion has been made
- Council tax has been approved with an increase of 4.995- 3% increase for social care levy and 1.99% of council services. Total of SCC budget: £1.1billion. A large percentage goes to schools, 16 million is Covid 19 funding and public health matters received 572million pounds of which almost 400million is raised through council tax. 38% is on adult social care 23% on services 3% on transport 4% on Covid contingency 6% on highways – full details will be released with council tax statements
- Climate change strategy is being developed
- Suicide prevention scheme recently launched to encourage the community to be aware of suicide prevention. Suicide makes up around 1 percent of deaths in Staffordshire and is the 2nd most leading cause of death on 16-24 year olds. Most people are not known to mental health service. The scheme raises awareness on how to obtain support. There are 600 spaces available on a training programme, the community is encouraged to consider being involved. Social media details will be sent over. Concern raised that the referral can take too long for effective support, highlighted that the biggest issue is in the initial identification of those in need of support.
- Cllr expressed disappointment on the raise in the council tax demand
- Concern raised that there are many outstanding highways issues that are overlooked. A camera is being constructed which collects information on litter dropping .
- Fly tipping and litter dropping will form an agenda item at the Locality meetings

More details on recent cabinet initiatives can be found here: [Agenda for Cabinet on Wednesday 17th February 2021, 10.00 am - Staffordshire County Council](#)

7.42pm Cllr Sutton left the meeting

117. Financial matters

The following financial matters were considered and it was resolved:

- a. To approve the expenditure for January 2021
- b. To receive the Financial Summary to 31st January 2021
- c. To receive the Financial Comparison to 31st January 2021
- d. To note payments/decisions made under delegated powers

118. Planning recommendations

Resolved to respond with the following comments:

- a) Planning application 20/00748/FUL- 'No objections however LSWA PC would like the speed limit of 30mph extending to incorporate the new development'
Planning application 21/00119/FUL- 'No objection'
Planning application 21/00163/FUL- 'No objection'
Planning application 21/00129/FUL- 'No objection'
- b) One planning application has been received after the agenda papers distributed: Planning application 20/01090/FUL- 'No objections'

119. Working group reports

Christmas: Resolved to accept the specifics for the tender for the LTA of three years as detailed below:

Christmas:

- Recommend to appoint Contractor B and to ask for more choice on motifs.
- Recommend to purchase additional warm lights for Lapley (included in contract)
- Recommended to instruct contractor B to replace the timers at a cost of £1173 over the summer
- Reasons for excluding the other contractors, contractor C could not offer stress and pole testing and it would be preferred that they are conducted by the same company. Contractor A was equally as appropriate as Contractor B, Contractor B is local and there was a preference for the motifs
- Recommend to book event
- Recommend to consider holding a Christmas Lights competition at the end of summer

Maintenance:

The draft map board was considered and resolved to change some of the historical details, Clerk to action and send off another draft for review. Clerk to send to the Ramblers to check the location of footpaths is correct, the map was created from the ordnance survey maps and the rights of way determined at SCC and therefore should be correct but may differ to local knowledge. Once complete it will be sent to the Conservation officer for comments before an order is placed

120. Speeding/road conditions on the A5

Pothole issues: Clerk has contacted Cllr Sutton regarding speeding issues at Stretton; a lead officer has been tasked with addressing the issue

Cllr Anderson recently attended other local PC meetings. Brewood and Coven PC will support a speed review but due to the precept already being confirmed for 2021/22 this will be 2022/23 at the earliest.

A5 is on the agenda at the locality forum and there will be an opportunity to make representation on this. Suggestion to set up a traffic management working group to consider further

121. Highways division fund

Cllr Sutton encouraged the Council to prioritise issues in the parish for County to consider and build in the speed review in the four-year plan

122. Canal bank

Cllr Smith raised a concern that trees are being cut down along the tow path and is concerned that this will result in the bank becoming unsafe. Resolved to inform the Canal Trust

123. Birkenshaw Lane

No new information received

124. Future use of Broadholes Lane

An update was given from SSC, Clerk has submitted a request for a planner to assess the site and advise on potential uses. More information will be given in due course.

Following a poll with the question 'Should Broadholes Lane play area be opened for the season 2021?' (yes 71%, no 21% and 8% abstained) it was resolved to open the play area on 1st April and it shall remain open whilst the consideration for future use is ongoing.

Resolved to meet as a Maintenance group to consider the request from a resident near Broadholes play area who raised concerns about trees from the play area blocking light into their property and make a recommendation to council

125.NALC Foundation Award for Quality Council

Resolved to apply to the NALC accreditation Scheme foundation level

126. Policy review

Resolved, the following amended policies were accepted:

- Financial regulations
- Community Engagement
- Climate and Biodiversity

127. Remote meeting provision

Current legislation to hold remote meetings ends on 7th May 2021. Resolved to write to the local MPS and Robert Jenrick, Secretary of state for MHCLG to request an extension.

A decision regarding bringing forward the Annual Parish Meeting and the Annual Meeting of the Parish Council to 6th May 2021 will be made on 22nd April 2021

128.MHCLG Consultation ‘The Right to Regenerate’

Resolved to submit the same responses as submitted to the NALC consultation direct to the Government consultation

129. Items for future

Each councillor may use this opportunity to report on matters of information not included elsewhere on the agenda and to raise items for future agendas. **Councillors are respectfully reminded that this is not an opportunity for debate or decision making.**

Divisional highways fund

Weight of vehicles travelling through Lapley Village

Future of Broadholes Lane

Tree planting

130. Date of next meeting: Thursday 22ndApril 2021 at 7pm via Zoom meetings. The meeting ID and passcode can be found below

Meeting ID: 819 6199 2226

Passcode: 939186

PC Surgery: a representative from the Council will be available on line from 6.30pm for parishioners to raise any concerns.

Signed..... Chairman.....

Meeting closed at 8.50pm
