LSWA PC object to this application on the following grounds.

Road safety concerns

A road traffic assessment has not been completed, it is the opinion of LSWA PC that this is essential and the application should progress without one

A canopy has already been erected without permission, has a structural analysis been undertaken? It is assumed that this has been raised to facilitate heavy goods vehicles. On the basis of the assumption LSWA PC believe that the road is too narrow to accommodate HGV's entering and exiting the site. There is a visibility issue with the brow of the hill from the East plus double white lines and a staggered junction in addition to two feeder roads to the A5 being located either side of the site. Turning in and out of these roads will become both extremely difficult and dangerous for all vehicles as will entrance to the actual site for HGV's and vehicles.

The site has no facilities for queueing which would no doubt result with a service station, café and a car wash, thus potentially causing traffic to queue on the A5.

This development is trying to attract HGV's on a road that has been de-trunked and where HGV's are encouraged to use the M54 and the trunk road network. HGV's should not be encouraged to use this road unless for access.

As part of the assessment work for the WMI the collective group were assured that it would not result in an increase in HGV movement along this section of the A5, this development is in complete contradiction to this presumption

There are a number of new developments already under construction within both neighbouring parishes, therefore there will already be an increase of large vehicles

Drainage and foul drainage.

There is no plan regarding drainage and particularly storm water. A flood risk assessment needs to be included.

An impact assessment needs to be conducted for water and drainage. We understand that one septic tank serves three properties

Impact on neighbours.

This application is an extension of the original use of the premises with the addition of use by HGV's. The café and the car wash will have a negative impact on local resident's, this is not an appropriate location for such development

The two adjacent dwellings are bungalows and the proposed two storey development with windows overlooking would impact severely on the privacy of their private recreational areas.

Impact on the green belt.

This development is in the green belt, it protrudes rearwards into the green belt and as it's at a higher level will clearly impact on the openness of the green belt. There are not any special circumstances put forward that would allow this development.

An environmental impact assessment has not been carried out, all local councils have recently declared a climate emergency and approving such a development could arguably be classed as against any policy.

* There has been no contamination risk assessment or any consideration given to the contamination of soil should there be any leakage from fuels.

Density:

NPPF 122 Planning policies and decisions should support development that makes efficient use of land, taking into account:

c) the availability and capacity of infrastructure and services – both existing and proposed – as well as their potential for further improvement and the scope to promote sustainable travel modes that limit future car use;

d) the desirability of maintaining an area's prevailing character and setting.

There are existing services available nearby and the infrastructure on this section of the A5 does not lend itself to such a development and certainly does not limit future car or HGV use. This in turn will go against SSC's climate change strategy and will contribute to further emissions. There is no inclusion of charging points for plug-in vehicles. The proposed use height and scale of the development will encroach upon residents privacy and will be an eyesore and will therefore do nothing to maintain the areas prevailing character or setting.

NPPF 145. A local planning authority should regard the construction of new buildings as inappropriate in the Green Belt if:

c) the extension or alteration of a building provided that it does not result in disproportionate additions over and above the size of the original building;

Planning comment submitted:

20/01143/FUL- Development at the Bell

LSWA PC object to this application on the following grounds.

- The proposed development is on a narrow section of road with double- white lines, on the brow of a hill, there are narrow junctions with poor visibility adjacent
- the speed limit has been reduced to 50 mph already due to safety reasons, LSWA PC are in discussion with other agencies about the possibility of conducting a speed review of the area.
- The application is lacking a transport traffic assessment
- The access does not have slip roads, adequate slip roads need to be built and access only allowed into and out of the development from and to the west bound side of the road.
NPPF 108: sites should have safe and suitable access for all users.
With HGV's using the site, this is not safe nor is it suitable.
- Congestion on site and potential over spill to the road is likely as there are an insufficient number of spaces proposed and insufficient space on the site to manoeuvre.
NPPF 109: Development should be prevented or refused on highways grounds if there would be an unacceptable impact on highway safety, or the residual cumulative impacts on the road network would be severe.
Congestion and potential accidents would be a major issue where emergency vehicles are concerned and we have many emergency vehicles using this stretch.
- This section of the A5 was de-trunked after the M54 was build, there are plans to build an M54/M6 link, this it will encourage vehicles and HGV's not to use this section of the A5, this development would encourage HGV's to use this section of the A5 as short cut between Gailey and the A41.
- There is a need for off road parking for HGV's but these need to be on the trunk road network and away from residential development
- As part of the assessment work for the WMI the collective group were assured that it would not result in an increase in HGV movement along this section of the A5, this development is in complete contradiction to this presumption. Such development needs to be away from residential development.
NPPF 111: All developments that will generate significant amounts of movement should be required to provide a travel plan, and the application should be supported by a transport statement or transport assessment so that the likely impacts of the proposal can be assessed.
- This development is in the Green belt and will have a detrimental impact on the openness of the Countryside, there are no special circumstances proposed and an environmental impact assessment has not been completed.

NPPF 143: Inappropriate development is, by definition, harmful to the Green Belt and should not be approved except in very special circumstances.

- It is within a licenced premise which is currently in keeping with the rural location, this application is more a kin to an industrial development.
- The development adjacent to a licenced premise will vastly reduce the possibility of 'The Bell' returning to a pub and restaurant. Has consideration been given to if this public house meets the criteria to close?
- The development will operate 24/7 and will create noise nuisance for local residents.
- The land behind slopes down and the light nuisance caused will impact on the green belt and openness of the area. Again the lack of environmental impact assessment is relevant as the Royal Commission on Environmental Pollution's 2009 report defines appropriate levels and the adverse effect on the ecology
- Insufficient assessment of drainage issues have not been taken into account to deal with storm water falling onto the hardstanding. There need to be an adequate 'flood risk' assessment before this application can be considered further plus a full impact report. We understand that only 1 septic tank serves 3 properties on/near to the development site.

LAPLEY, STRETTON AND WHEATON ASTON PARISH COUNCIL COUNCIL CODE OF CONDUCT FOR COUNCILLORS

Introduction

This Code of Conduct ("the Code") was adopted by Lapley, Stretton and Wheaton Aston Parish Council ("the Council") as required by Section 27 of the Localism Act, 2011 ("the Act") at a meeting of the Council held on 6th May 2021.

The Council has a statutory duty under the Act to promote and maintain high standards of conduct by members and co-opted members of the Council ("the members").

This means that the Council expects Members to follow this Code when they are conducting the work of the Council, representing the Council on any external organisation, and otherwise acting in their official capacity.

The Code of Conduct does not apply to what Members do in their private and personal lives¹.

Due to the Coronavirus Pandemic the Coronavirus Regulation Act 2020 has been implemented. Councillors are to email the Clerk with agreement to the Code of Conduct and sign as soon as it is practically possible

Part One - Standards of Conduct

As a member of the Council you must have regard to, and act in accordance with, the following principles of standards of conduct²:

1. Selflessness

² And in accordance with any supplementary guidance or protocols agreed by the authority from time to time – in particular the Planning Protocol and the Social Media Protocol

³ This does not mean that Members are under any obligation to support or become involved in all requests for assistance from their constituents.

You are accountable to the public for your decisions and actions and the manner in which you carry out your duties. You must co-operate fully and honestly with any scrutiny appropriate to your office. You should not undertake any action which would bring the Council, your position, or the position of Members generally, into disrepute.

5. Openness

6. Leadership

You must promote and maintain high standards of conduct by supporting these principles by leadership and by example, and should act in a way that secures or preserves the confidence of others. 15. A pecuniary interest is a "disclosable pecuniary interest" as set out in the Relevant Authorities (Disclosable Pecuniary Interests) Regulations, 2012.

⁵ The Monitoring Officer must enter these interests into the Register of Interests, which will be made available for public inspection and published on the Council's website.

16. You are also required to notify the Parish Clerk and Monitoring Officer of any gifts or hospitality⁶ with an estimated value of at least £50⁷. You must inform the Monitoring Officer of any such gifts or hospitality within 28 days of receiving them so that the details can be entered into the Register of Members Gifts and Hospitality.

Sensitive interests

17. If the nature of an interest is such that you and the Parish Clerk and Monitoring Officer consider that disclosure of the details of the interest could lead to you, or a person connected with you, being subject to violence or intimidation, the interest must not be included in any published version of the Register of Interests, or be entered into any copy of the register that is made available for public inspection⁸.

Disclosure of disclosable pecuniary interests at meetings

18. The following provisions apply if you are present at a meeting of the authority or of any committee, sub-committee, joint committee or joint sub-committee of the authority, and you are aware that you have a disclosable pecuniary interest in a matter to be considered, or being considered, at the meeting.

19. If the interest is not entered in the authority's Register of Interests, you must disclose the interest to the meeting (unless the interest is a sensitive interest⁹).

20. If the interest is not entered in the authority's Register of Interests and is not the subject of a pending notification, you must notify the Monitoring Officer of the interest before the end of 28 days beginning with the date of the disclosure.

21. Where the interest does appear in the Register of Interests, you must bring the interest to the attention of the meeting (unless the interest is a sensitive interest).

22. You may not:

- (a) participate, or participate further, in any discussion of the matter at the meeting,

Once you have finished, or the meeting decides you have finished, you must leave the room and may not remain in the room during the discussion or vote on the matter.

Disclosure of other interests at meetings

24. Where you are present at a meeting of the authority, or any committee, sub-committee, joint committee or joint sub-committee of the authority, and identify any other significant interests which you feel should be declared in the public interest, such interests may be declared to the meeting; this includes any interest which relates to or is likely to affect:

⁶ Which you receive in your role as a South Staffordshire Councillor

⁷ This does not include civic gifts or hospitality received by the Chairman of the Council whilst acting in this capacity. Civic gifts are to be recorded in a separate register maintained by the Chairman's Secretary.

⁸ Instead the Register of Interests may state that the Member has an interest the detail of which are withheld under section 32(2) of the Localism Act 2011

⁹ If the Member is required to disclose such an interest in a meeting, the Member need not disclose the interest, but merely the fact that the Member has a disclosable pecuniary interest in the matter concerned.

(c) one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union) of which the member of the Council is a member or in a position of general control or management.

25. In such circumstances you must consider whether your continued participation in the matter relating to your interest would be reasonable in the circumstances, particularly if the interest may give rise to a perception of a conflict of interests in the matter under discussion.

Allegations of a Failure to Comply with Code of Conduct

26. All complaints alleging a failure to comply with this Code will be considered in accordance with a procedure agreed by South Staffordshire Council.

Introduction

These Financial Regulations were adopted by the council at its meeting held on 5th September 2019

1. General

These financial regulations govern the conduct of financial management by the council and may only be amended or varied by resolution of the council. Financial regulations are one of the council’s three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council’s standing orders¹⁰ and any individual financial regulations relating to contracts.

The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council’s functions, including arrangements for the management of risk.

The council’s accounting control systems must include measures:

- for the timely production of accounts;
- that provide for the safe and efficient safeguarding of public money;
- to prevent and detect inaccuracy and fraud; and
- identifying the duties of officers.

These financial regulations demonstrate how the council meets these responsibilities and requirements. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

Members of council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.

The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Parish Council Manager has been appointed as RFO for this council and these regulations will apply accordingly.

. The RFO;

- acts under the policy direction of the council;
- administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
- determines on behalf of the council its accounting records and accounting control systems;

- ensures the accounting control systems are observed;
- maintains the accounting records of the council up to date in accordance with proper practices;
- assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
- produces financial management information as required by the council.

. The accounting records determined by the RFO shall be sufficient to show and explain the council’s transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations.

. The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
- a record of the assets and liabilities of the council; and

¹⁰ Model Standing Orders for Councils (2018 Edition) is available from NALC (©NALC 2018)

- wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

The accounting control systems determined by the RFO shall include:

- procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
- procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
- identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
- procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records; and
- measures to ensure that risk is properly managed.

. The council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:

- setting the final budget or the precept (council tax requirement);
- approving accounting statements;
- approving an annual governance statement;
- borrowing;
- writing off bad debts;
- declaring eligibility for the General Power of Competence; and
- addressing recommendations in any report from the internal or external auditors, shall be a matter for the full council only.

. In addition, the council must:

- determine and keep under regular review the bank mandate for all council bank accounts;
- approve any grant or a single commitment in excess of £5,000; and
- in respect of the annual salary for any employee have regard to recommendations about annual salaries of employees made by the relevant committee in accordance with its terms of reference.

1.15 A scheme of delegation is in place. This should be reviewed annually at the Annual meeting of the Parish Council

. In these financial regulations, references to the Accounts and Audit Regulations or 'the regulations' shall mean the regulations issued under the provisions of section 27 of the Audit Commission Act 1998, or any superseding legislation, and then in force unless otherwise specified.

In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

1.17 COVID 19 Response. Due to the on going situation with the Coronavirus Pandemic the Coronavirus Act 2020 has been implemented. An additional scheme of delegated powers has been implement in the 'Infectious disease policy'

2. Accounting and audit (internal and external)

All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.

On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman [or a cheque signatory] shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council.

. The RFO shall complete the annual statement of accounts, annual report, and any related documents of the council contained in the Annual Return (as specified in proper practices) as soon as practicable after the end of the financial

year and having certified the accounts shall submit them and report thereon to the council within the timescales set by the Accounts and Audit Regulations.

. The council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices. Any officer or member of the council shall make available such documents and records as appear to the council to be necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary for that purpose.

. The internal auditor shall be appointed by and shall carry out the work in relation to internal controls required by the council in accordance with proper practices.

. The internal auditor shall:

- be competent and independent of the financial operations of the council;
- report to council in writing, or in person, on a regular basis with a minimum of one annual written report during each financial year;
- to demonstrate competence, objectivity and independence, be free from any actual or perceived conflicts of interest, including those arising from family relationships; and
- has no involvement in the financial decision making, management or control of the council

. Internal or external auditors may not under any circumstances:

- perform any operational duties for the council;
- initiate or approve accounting transactions; or
- direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as is described in proper practices.

. The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.

. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

3. Annual estimates (budget) and forward planning

[. Each committee (if any) shall review its three-year forecast of revenue and capital receipts and payments. Having regard to the forecast, it shall thereafter formulate and submit proposals for the following financial year to the Forward Planning and Finance Working Group not later than the end of November each year including any proposals for revising the forecast.

. The RFO must each year, by no later than January, prepare detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the following financial year in the form of a budget to be considered by the Forward planning & Finance Working Group and the Council.

The council shall consider annual budget proposals in relation to the council's three year forecast of revenue and capital receipts and payments including recommendations for the use of reserves and sources of funding and update the forecast accordingly.

The council shall fix the precept (council tax requirement), and relevant basic amount of council tax to be levied for the ensuing financial year not later than by the end of January each year. The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved annual budget.

. The approved annual budget shall form the basis of financial control for the ensuing year.

4. Budgetary control and authority to spend

. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- the council for all items over £5,000;
- the Parish Council Manager in conjunction with the Chairman for items below £5000; or
- the Parish Council Manager for any items below £500 providing there is sufficient budgetary provision, with the exception of regularly occurring payments such as salaries, in which case expenditure to the budgetary provision is permitted.

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the PCM, and where necessary also by the appropriate Chairman.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council, or duly delegated committee. During the budget year and with the approval of council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').

Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.

. The salary budgets are to be reviewed at least annually by the end of November, for the following financial year and such review shall be evidenced by a hard copy schedule signed by the PCM and the Chairman of Council or relevant committee. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.

. In cases of extreme risk to the delivery of council services, the PCM may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £1000. The PCM shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.

. No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the council is satisfied that the necessary funds are available and the requisite borrowing approval has been obtained.

. All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.

. The RFO shall regularly provide the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and shall show explanations of material variances. For this purpose "material" shall be in excess of £1000 or [15%] of the budget.

. Changes in earmarked reserves shall be approved by council as part of the budgetary control process.

5. Banking arrangements and authorisation of payments

The council's banking arrangements, including the bank mandate, shall be made by the RFO and approved by the council; banking arrangements may not be delegated to a committee. They shall be regularly reviewed for safety and efficiency. [The council shall seek credit references in respect of members or employees who act as signatories.]

. The RFO shall prepare a schedule of payments requiring authorisation, forming part of the Agenda for the Meeting and, together with the relevant invoices, present the schedule to council. The council shall review the schedule for compliance and, having satisfied itself shall authorise payment by a resolution of the council. The approved schedule shall be ruled off and initialled by the Chairman of the Meeting. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of the meeting at which payment was authorised. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.

. All invoices for payment shall be examined, verified and certified by the RFO to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the council.

The RFO shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The RFO shall take all steps to pay all invoices submitted, and which are in order, at the next available council meeting.

. The PCM and RFO shall have delegated authority to authorise the payment of items only in the following circumstances:

- a) Payments within approved budgets up to the sum of £5000 in-conjunction with the Parish Council Chairman and up to £500 by the Parish Council Manager
- b) as per the Scheme of Delegation as appropriate
- c) If a payment is necessary to avoid a charge to interest under the Late Payment of Commercial Debts (Interest) Act 1998, and the due date for payment is before the next scheduled Meeting of council, where the Clerk and RFO certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council [or finance committee];

- b) An expenditure item authorised under 5.6 below (continuing contracts and obligations) provided that a list of such payments shall be submitted to the next appropriate meeting of council [or finance committee];
or
- c) fund transfers within the councils banking arrangements up to the sum of £10,000, provided that a list of such payments shall be submitted to the next appropriate meeting of council.

. A record of regular payments made under 5.6 above shall be drawn up and be signed by two members on each and every occasion when payment is authorised - thus controlling the risk of duplicated payments being authorised and / or made.

. In respect of grants the Council shall approve expenditure within any limits set by council and in accordance with any policy statement approved by council. Any Revenue or Capital Grant in excess of £5,000 shall before payment, be subject to ratification by resolution of the council.

. Cheques or orders for payment drawn on the bank account in accordance with the schedule as presented to council or committee shall be signed by two members of council and countersigned by the PCM in accordance with a resolution instructing that payment. A member who is a bank signatory, having a connection by virtue of family or business relationships with the beneficiary of a payment, should not, under normal circumstances, be a signatory to the payment in question.

retained by the Chairman of Council in a sealed dated envelope. This envelope may not be opened other than in the presence of two other councillors. HIGH CONSEQUENCE INFECTIOUS DISEASE POLICY

Introduction

Lapley, Stretton and Wheaton Aston Parish Council (LSWA PC) actively seeks to protect the Councillors, Volunteers and Staff working for and on behalf of the council and its activities. As such, and following any current Public Health England (PHE) and government guidelines, the following policy applies to any High Consequence Infectious Disease (HCID) as defined by PHE

This policy sets out the general principles and approach that the Parish Council will follow in respect of and HCID outbreak in the United Kingdom with an imminent threat of infection in the Parish of Lapley, Stretton and Wheaton Aston.

1. Scope of the policy

1.1. The main areas of concern for LSWA parish council with respect to HCIDs are:

- Remaining an effective council
- Safety & Health of Councillors, Contractors, Staff, Volunteers and Members of Public.

2. Activation of the policy

2.1. This policy is considered to be activated, when

- There is an active outbreak of a HCID in the United Kingdom with an imminent threat of infection in the Parish of Lapley, Stretton and Wheaton Aston **and**
- The Chairman plus 2 councillors have requested its activation to the Clerk, or its activation is resolved in a meeting of LSWA Parish Council.

OR

- The government of the United Kingdom declares an epidemic or suspends all public meetings

OR

- The World Health Organisation (WHO) declares a Pandemic

3. Deactivation of the policy

3.1. This policy is considered to be deactivated, when

- When the imminent threat of infection in the Parish of Lapley, Stretton and Wheaton Aston has passed **and**
- A minimum of 4 councillors have requested public meetings be recommenced as per the original timetable
- The government of the United Kingdom has reinstated all public meetings.

4. Definition of High Consequence Infectious Disease

4.1. A HCID is defined as

- acute infectious disease
- typically has a high case-fatality rate
- may not have effective prophylaxis or treatment
- often difficult to recognise and detect rapidly
- ability to spread in the community and within healthcare settings
- requires an enhanced individual, population and system response to ensure it is managed effectively, efficiently and safely

4.2. The current list of HCIDs as defined on www.gov.uk (11/03/2020)

Contact HCID

Argentine haemorrhagic fever (Junin virus)
Bolivian haemorrhagic fever (Machupo virus)
Crimean Congo haemorrhagic fever (CCHF)
Ebola virus disease (EVD)
Lassa fever
Lujo virus disease
Marburg virus disease (MVD)
Severe fever with thrombocytopenia syndrome (SFTS)

Airborne HCID

Andes virus infection (hantavirus)
Avian influenza A H7N9 and H5N1
Avian influenza A H5N6 and H7N7
Middle East respiratory syndrome (MERS)
Monkeypox
Nipah virus infection
Pneumonic plague (Yersinia pestis)
Severe acute respiratory syndrome (SARS)*
Coronavirus disease (COVID-19)

At any such time as a new disease is classified as a HCID, it shall be treated as if it were in the list above and this policy shall apply.

5. Matters relating to staff – The Clerk

5.1. LSWA Parish Council has an official office, and a small number of employees. A further policy for business continuity will be published in relation to each specific threat. The public may only visit the Clerk by appointment. During any active outbreak of a HCID in the UK, no appointments will be permitted. The clerk will not come into contact with the public during working hours, at their 1st normal place of work.

- 5.2. The village hall, or any other public location used for Parish Council meetings is the 2nd normal place of work for the Clerk. This is dealt with in Section 6.
- 5.3. In the event of a HCID outbreak the National Joint Council for local government services (NJC) will issue guidance for employers which the council will follow. A summary of the most recent guidance during the COVID-19 outbreak of 2020 is detailed below
 - 5.3.1. Employees who are sick or unfit for work need to focus on their recovery.
 - 5.3.2. As per Part 2 Para 10.9 of the 'Green Book', if an employee is fit for work but decides, or is instructed, to self-isolate, their absence should not be recorded as sickness absence. We would expect all options for home or remote working to be explored with the employee. As they are 'well' at this stage they should stay on normal full pay for the duration of the self-isolation period until such time as they are confirmed to have contracted any such HCID, at which point they transfer to sickness absence leave and the usual provisions of the sickness scheme will apply.
 - 5.3.3. In circumstances where an employee decides to self-isolate without instruction from the authorities it is not unreasonable for the employer to ask for some evidence such as an email from a holiday operator that shows the dates of the holiday, the resort location and flight details. However, it will probably not be possible in all cases for an employee to produce any evidence, so employers will need to use their discretion when trying to establish the facts behind the employee's decision to self-isolate.
 - 5.3.4. If an employee is caring for someone who has or may have coronavirus, this period of absence should also be regarded as self-isolation. Given the employee may then have been in direct contact with the virus we would expect only working from home arrangements to be then considered for the duration of the incubation period. Employers should keep in touch to support employees.
 - 5.3.5. Following any school closures, employers should be fully supportive of employees with childcare responsibilities and consider flexible working arrangements, including adapting working patterns to care for children or dependants or taking time off, whether this is special leave, annual leave or flexible working.

6. Public Meetings

- 6.1. It is a requirement of the Local Government Act 1972, that council business shall be conducted at public meetings of the council and any committees.
- 6.2. Councillors and other Volunteers can choose to not attend public meetings. As an officer of the council, the Clerk cannot choose to not attend meetings.
- 6.3. Due to the nature of local government and considering the Councillors and Members of Public whom attend meetings, there is high percentage of attendees whom would be considered "high risk" with respect to all of the HCIDs listed in Section 4.2. As such, to protect the health of all attendees, public meetings are limited or suspended during the active period of this policy.

7. Delegated Authority

- 7.1. To allow the council to operate on a minimum requirement basis, the following items are delegated to the Clerk for the duration of the activation of this policy (a scheme of delegation can be found as appendix 1)
 - 7.1.1. Planning applications, after consultation with the planning working group, a summary response will be circulated to all councillors for comment prior to submission to South Staffordshire District Council by the Clerk.
 - 7.1.2. Finance
 - 7.1.2.1. all standard recurring payments listed as line items on the budget will be paid by the RFO at the appropriate time to prevent any late charges, such as salaries, printing costs, licences and IT services etc.
 - 7.1.2.2. All payments will be formally authorised by the full council at the next full council meeting.
 - 7.1.2.3. Where this policy is activated over the end of the financial year, the RFO will prepare the end of year accounts in accordance with normal procedures and circulate to all of the councillors. On the acceptance of a minimum of 4 councillors, they will be signed by the RFO, Clerk and Chairman as applicable for submission to the external and internal auditors. The accounts will be accepted by resolution at the next full council meeting.
 - 7.1.3. Responses to other communications. The Clerk will circulate at the earliest opportunity, any communication from any 3rd Parties which would normally be presented at a meeting for consideration by the council. The clerk will circulate the summary response to the full council prior to responding to the 3rd Party.
 - 7.1.4. In accordance with LGA 1972, where this policy is activated during a meeting of the council the meeting will be adjourned. Using the delegated authority as detailed in 7.1.1 to 7.1.3, the Clerk will

endeavour to close out as much of the remaining agenda, the results of which will be reported to the council after the adjournment when the rest of the agenda is considered.

7.1.5. It is both the role of and the prerogative of the Clerk for council business to continue (likely at a reduced level) in times of great stress and no meetings. Therefore, trust will need to be placed in the Clerk to make sound decision and judgments in the best interest and continuation of the Council. Any decision will be reported and, where possible, ratified by the Chairman and Vice Chairman, as minimum, but with preferable input from at least two other members. The period that this policy will be implemented for will be particularly challenging so it is accepted that Councillors may not respond due to other commitments and worries therefore due diligence will be taken. Once the period is closed and the policy ceased the standard (attached) Scheme of Delegation will preside.

8. Review of the policy

8.1. This policy was implemented on 17th March 2020 (by email) and will be formally approved by the Parish Council at the next meeting. To be reviewed annually.

**INTERNAL CONTROLS REVIEW
SEPTEMBER 2017
MAY 2019
MAY 2020
MAY 2021**

1. Scope of Governance Framework Responsibility

Lapley, Stretton and Wheaton Aston Parish Council (LSWAPC) is required to have an adequate and effective system to discharge the functions of the Council whilst implementing arrangements for the management of risk. In order to achieve this there is a need for LSWAPC to implement a comprehensive internal control policy to ensure that its business is conducted within the law and proper standards and that public money is safeguarded and properly accounted for and used economically, efficiently and effectively.

2. The Purpose of Governance Framework

LSWAPC Governance Framework provides a comprehensive range of internal controls in the form of a checklist that will confirm the existence of a sound system of management which includes the identification and control of risk

whilst seeking to eliminate fraud, error and misstatement. It will provide a satisfactory foundation for internal audit and give an adequate level of assurance that LSWAPC is enabled to complete the annual governance statement, particularly assertions two and six.

3. **Personnel Involved with Governance Framework**

The key personnel that will review and implement the LSWAPC Governance Framework include:

- Clerk to the Council / Responsible Financial Officer: The duties of the Clerk / RFO will be laid down in a Job Description which should be reviewed each year. The Clerk will be LSWAPC's Responsible Financial Officer and will act as advisor and administrator to LSWAPC and will be responsible for the day to day management of LSWAPC's finances.
- Assistant Clerk: The Assistant Clerk will provide support to the Clerk / RFO in respect to all matters of LSWAPC administration and finance.
- Chairman of the Council: The Chairman of LSWAPC will be elected by the elected Members of LSWAPC and will have all the powers and duties vested by law.
- Finance and Forward Planning Working Group led by the Finance and Forward Planning Working Group Chairman. The Finance and Forward Planning Working Group will consider matters regarding finance and forward planning, including Annual Accounts and Governance and will recommend or otherwise that such matters be accepted by full Council.
- Appointed Independent and Competent Internal Auditor: The appointed Internal Auditor will, at not less than yearly intervals, provide a selective assessment of LSWAPC's procedures and controls to ensure compliance against the current legal framework as imposed on LSWAPC.

4. **Review of Effectiveness of Governance Framework**

The key elements of control to be tested are as follows:

- Has LSWAPC appointed a Responsible Financial Officer (RFO)?
- Has LSWAPC appointed a Chairman who may exercise all the statutory powers and duties in respect to meetings, ensuring smooth running of meetings and the certification of minutes on behalf of LSWAPC Members?
- Has LSWAPC established committees and/or working groups to simplify the management of key elements of its lawful business?
- If so has the committee and/or working group appointed a Chairman to ensure smooth running of meetings and to verbally report on matters from the working group meeting to full Council?
- Has LSWAPC formally adopted both Standing Orders & Financial Regulations?
- Are the Standing Orders & Financial Regulations closely adhered to in order to provide a consistent approach to meetings and decision making?
 - Are items or services purchased against pre-determined limits competitively purchased?
- Has LSWAPC conducted risk assessment for the current year of operation to determine the financial risks it is exposed to and if so is this recorded in the Minutes?
 - Has the LSWAPC risk assessment been scrutinised to ensure that it is comprehensive and up to date and identifies any actions that it considers necessary to minimise those risks?
 - Where necessary to does LSWAPC have adequate and appropriate insurance cover to offset risk?

- Are cashbook payments supported by invoices and have they been authorised and minuted?
