Response to planning comments:

20/001143/FUL - The addition of a music license will increase traffic

- A later alcohol license could lead to both anti-social behaviour and damage to the area , this could be a danger to passing traffic.
- There is a fairly near caravan site already
- Possibility of a further increase in noise, light and litter pollution
- Historically, when the area was a garage before, there have allegedly been accidents at the area, this will be documented by Staffordshire Police.

21/001144/FUL- NO objections

SSC Planning Decisions

71. South Staffordshire District report:

Highlighted the planning application at Bridge Farm, a number of aspects that Cllr Cox has requested clarity on. A site visit is due

Clerk asked Cllr Cox to enquire about how the pc apply for section 106 funding, this was queried in July and still waiting on a response

Highlighted the local plan consultation, an exceptional amount of consideration has gone into the offer to adopt some of the short fall and locations

72. Staffordshire Police report

Nothing of significance to report

73. Financial matters

To following financial matters were considered and it was resolved:

- a. To approve the expenditure for October/November 2021
- b. To receive the reconciled statement for Unity trust accounts
- c. To note payments/decisions made under delegated power
- d. **Resolved** a budget of £128,161 has been set with a precept request of £115,561 being requested from SSC. There has been a 0.33 % decrease in the tax base, from 994.44 to 991.18 which results in a precept request of 9.47% on 2021/22 increase with the average Band D tax paying £116.59 compared to £106.50 in 2021/22. Noted that the budget was reduced for 2021/22 as there were unspent funds from the previous year for items such as the Christmas events which were ring-fenced from 2020 to fund the event in 2021. It is more appropriate to compare the financial years 2019/20 (pre-covid) when the band d cost was £118.64 per household, this results in a -1.73% decrease to this year's budget of £116.59 per band d household.
- e. **Resolved** to accept the annual action plan

74. Planning recommendations

Resolved to respond with the following comments:

- a) Planning application 21/01238/Hedge- **Resolved** 'to object to the removal. The hedge is home to numerous species of wildlife, LSWA PC hold a biodiversity and climate policy and actively encourage planting of hedges and trees. The removal would be detrimental to the landscape. No reasoning was given for the removal'.
- b) No planning applications were received after the papers were distributed however St Phillips homes have begun a consultation on land at Ivetsey Road in preparation for submitting a planning applications. Resolved to comment: 'Plans seem acceptable, however, more bungalows would be required and the rendered houses with balconies did not seem in keeping with the area '
- c) Local plan response www.sstaffs.gov.uk/planning/local-plans-consultations.cfm74

Resolved to comment:

LSWA PC does not object to two of the sites allocated in the local plan within the parish, however there are concerns that need addressing on one allocation, the parish council object to this site and would like to make a suggestion for an alternative site.

In general, the preferred options is a welcomed documents which sets out a clear strategic framework for the district.

The methodology used to determine the number of houses that should be offered to alleviate the short fall in neighbouring counties appears sound and the number of dwellings appropriate.

However, taking land from the green belt should be taken once all other options, ie brown field sites and areas for regeneration, in neighbouring authorities have been exhausted.

It could be argued that there is a possibility for release of surplus brown field sites due to the covid pandemic and the impact this has had on working life.

For the parish that LSWA PC hold responsibility for there are low allocations and the priority for the parish council is to ensure that the infrastructure and housing mix is addressed.

The land off Ivetsey Road is acceptable, should the development go beyond where the current allocation for 30 mph speed limit is then council should ensure that the speed limited is amended to 30mph to incorporate all of the development

Land at Bridge Farm is acceptable, there have been numerous planning applications submitted to develop the area. The most recent being acceptable with some comments on style of houses and materials used within the conservation area being returned

Land at Fenton House Lane/ Marston Road

There are a number of concerns with this allocation therefore the parish council wish to **object** to this site being developed:

Mottey meddows- The closeness to a SSI is concerning due to the potential harm from chemicals and any disturbance to the land. Noted that an allocated radius is in place and the development would sit outside this area but are there measures in place to ensure that further development does not encroach on the radius?

There is a historic view of 5 black poplar trees which will be lost

Rolling farming layout- Mottey meadows is made up of both water and hay meadows. As such the ancient use of 'butts and reens' is evident in the area. Historically this method was used in to aid water levels which is suggestive of the water issues experienced. The parish is proud to have fields displaying such ancient methods and would not want to lose them to housing

Flooding- LSWA PC owns and manages the field adjacent to the proposed site. This field is notorious for flooding, with most water cascading from the slightly elevated position to the adjacent field (proposed site) In recent years the council have investigated the flooding issues with Severn Trent and Highways and the results have indicated that the water issues are from the field and the water makes way to the brook in the following field. It has been many years since the village has been able to

use this and for recreational activities such as football. Should this site progress what measures will be put into place to alleviate the flooding? What infrastructure will be put in place to manage the issues?

One lane highway- Fentonhouse Lane is a one lane highway and is not wide enough or adequate to sustain more vehicles. The road is often used as a quicker route to the local farms by agricultural vehicles which, as well as taking up the whole road space, causes more damage to the road

PC suggestion:

LSWA PC welcome additional homes to the parish but feel that the right location to these home is essential. The pc would like to suggest that there is further development along Ivetsey Road in place of the Fentonhouse Lane/Marston Road development. This would be an extension of the village which would be aesthetically pleasing and symmetrical, and would push the 30mph limit further down the road- this has been an area of great concern with speeding

75. Queens Platinum Jubilee celebrations

Resolved:

- to work the PTFA on an event and hold a thankyou celebration
- Ask for help from the community to make bunting (more cost effective) to decorate the high street
- Look into a gift for each child attending St Marys first school

76. Forward Planning and Maintenance:

Resolved to:

- Oak tree report- accept report, a further report will take place in 2023
- WA notice board replacements - £1570 - to replace
- Resolved to purchase a 350 litre grit bin for The Avenue Stretton. Highways been informed. This is to be used, filled and maintained by volunteers at their own risk. Cllr Anderson to coordinate the volunteer group
- Drains are blocked which adds to the issue. Clerk will inform highways

77. Installation of no waiting lines at High Street

An officer has been to visit the area and confirmed that they cannot take any action. SCC have confirmed that the lines will be repainted outside the Coach and horses .

Resolved to monitor the situation when the lines opposite have been repainted, if the issue persists it will be reconsidered

78. Risk management

Resolved to accept the risk management record and register

79. Future use of Broadholes Lane

Clerk confirmed that the Allotments association are able to meet on site in January to make some recommendations

80. Birkenshaw Lane update

The officer has recommended to the members that the application is passed, this was due to ratified on 12th November 2021 but due to last minute evidence the decision will be delayed to enable further consultation

81. Christmas event 2022

Resolved: date will be 19th November 2022, and the upgraded stage proposals were accepted (£2050 cost Dangerous Sheep). More volunteers are required

82. Meeting dates

Resolved to accept the below meeting dates:

(no meeting in January and February due to the recent discovery of the Omicron B variant of Covid-19. Councillors are encouraged to attend zoom meetings for updates)

3rd March 2022

7th April 2022

19th May 2022 Annual Parish Meeting of electors at 6.30pm followed

Annual Meeting of the Parish Council at 7pm

14th July 2022

1st September 2022

20th October Full Council plus Community Meeting at 6.00pm

8th December 2022 (Precept)

83. Code of conduct consultation

-Decision

Resolved to respond:

1. How should councillors act towards members of the public/ fellow councillors?

Employees should also be noted in this question. Bullying is notorious within this section between both councillors and councillors/ employees. This issue needs to be addressed and sanctioned as there is a shortage of clerks as more leave the profession

Respectful, consideration, professional not make promises and refer back to the clerk for action. Follow the Nolan Principles in all actions

2. How should Councillors treat important information?
With respect and in confidence
3. In what ways can a councillor abuse their position?
By agreeing to actions an issue without going to full council. Micro managing employees
4. Is it necessary for Councillors to make it known they are elected officials on their social media accounts?
Only if they intend to use it for council purposes. A councillor should be clear when they are responding to a question if they are acting in office or as an individual
5. What is deemed as inappropriate online behaviour?
Making promises, slander, disrespect, abuse, derogatory comments
6. Social Media is an extension of a person. How should councillors act online?
In a clear capacity. Professional
7. What information should be available to the public regarding member behaviour
How to make a complaint, the code of conduct and the Nolan Principles

84. Resolved : reports accepted from Parish Council Representatives:

- a) Lapley & Wheaton Aston Village Hall Management Committee- meeting on 15th November, the hall isn't used as often as pre covid.
- b) Lapley & Wheaton Aston Recreation Ground Committee – Meeting on 14th December , Covid has impacted the Club with many cancelled functions. A new steward is starting
- c) Lapley & Wheaton Aston Old People's Welfare Committee- Dinner on 13.12.21, membership has increased
- d) Wheaton Aston Community First Responders- AGM held. Difficulty to get people trained up. Received approx. 5 call outs over the last 12 months. Waiting for the ambulance service to train more people up. There is a turtlebox now available with a solar panel which would be suitable for at Marston Field
- e) Parish Charities Trustee – No meeting held
- f) Staffordshire Police Locality Accountability Forum- A forum hasn't been held

85. Items for future

Each councillor may use this opportunity to report on matters of information not included elsewhere on the agenda and to raise items for future agendas. **Councillors are respectfully reminded that this is not an opportunity for debate or decision making.**

- Queens Jubilee
- Carnival
- Stretton memorial booklet
