

SSC highways officer has shared the below information with us. We do not have any further information and the office is now closed until the 27th April so please direct any queries to scc highways directly. This can be reported on line <https://apps2.staffordshire.gov.uk/web/reportfault/#divSelectionHeader> or by calling 03001118000. Or on the staffs county app.

For awareness there will be some local road closures or sites under stop and go around Wheaton Aston next Wednesday, following the Bank Holliday, on the 20th April and potentially the 21st.

The works involve some localised defect repairs plus other patching works in advance of surface dressing operations planned for the coming months at the following sites.

To	From		
High Street	Wheaton Aston	Broadholes Lane	Marston Road
Ivetsey Road	Wheaton Aston	Ivetsey Close	Broadholes Lane
Lapley Road	Wheaton Aston	Starkeys Lane	C0132
Long Street	Wheaton Aston	Marston Road	Starkeys Lane

Originally works were planned next weekend, however we have now combined both sets of work which will take place next Wednesday. Advanced signs and letter drops will be arranged along with closure signs and diversions at the time.

A utility company (Hawk Construction) will be carrying out some agreed works under the planned closure or traffic management which we have agreed. If the company begins early they will arrange appropriate traffic management

Further information can be found via the One. Network website as follows - <https://one.network/>
