## THE OAK TREE AT PRIMROSE

We are happy to report that the pollarding of the Oak Tree has been a great success and has promoted a dense head of foliage and branches. Forest of Merica CIC have been to view it and advised it is a good example of successful rejuvenation. We will be installing a fence around the tree to protect the roots and discourage visitors to the holes to help preserve the tree for years to come.

## PLATINUM JUBILEE CELEBRATIONS

Thank you to everyone who came along to the Jubilee Celebrations at St Mary's School and at Lapley. Both events were a great success and full of community spirit. A big thank you and well done to all who volunteered their time to make the event a success. Their work is greatly appreciated.

## JUBILEE TAPESTRY
