**Date:** 16 August 2022

Dear Sir or Madam

### **Camp Bestival 2022**

Camp Bestival is taking place between Thursday 18th and Monday 22nd August 2022 at Weston Park. Camp Bestival Shropshire is based on the Camp Bestival event at Lulworth Castle, Dorset, which has been running since 2008.

The event is an award-winning family festival featuring family fun activities; children's shows; theatrical entertainment and live musical performances, together with a full range of gourmet and street food concession stalls and bar and refreshment facilities. Half of those attending will be children. Campsite facilities are provided on site for families, and various outdoor activities will take place. In case you aren't already aware from other correspondence from the organisers, there will be a fireworks display taking place at the end of the festival on Sunday 21<sup>st</sup> August from 22:30 for approximately 15 minutes.

No major traffic disruption is expected over the weekend with any increased traffic taking place during arrivals over Thursday and Friday and departures on Monday 22<sup>nd</sup> August. The event attendance and number of cars associated with festival goers is much lower than previous V Festivals. The only road closure in effect during the event will be Mill Lane.

There is only one main music stage which is scheduled to close by midnight on Friday and Saturday night and 11pm on Sunday. Some smaller venues within the festival will remain open until 2am on Saturday and Sunday morning, and 1am on Monday morning.

A resident's hotline has been set up by the organisers and while it is hoped you will not have cause to do so, residents may call the following number for any matters of concern:

**0161 647 7934** - operational times are 24 hours during event days, Thursday 09:00 to Monday 13:00. If you wish to contact the festival organisers outside of these hours, please email: [shropshirecommunity@campbestival.net](mailto:shropshirecommunity@campbestival.net)

South Staffordshire Council will also have Officers on site, throughout the festival to monitor the event. Should you have any concerns and need to contact the officers please email: [campbestival@sstaffs.gov.uk](mailto:campbestival@sstaffs.gov.uk)

Please provide full details of your query, your name, address, and a contact number in the message, so that our officers can get back to you. The mailbox will be monitored up until the end of activity on each day of the event.

Yours sincerely

**Miss J Rhodes**  
**Environmental Health and Licensing Manager**
