

Minutes of the Meeting of Lapley, Stretton & Wheaton Aston Parish Council held on Thursday 20th October 2022 at Lapley and Wheaton Aston village hall

In attendance:

CLLr W Millington - **Wheaton Aston (Chairman)**
CLLr Sue Whittingham - **Wheaton Aston**
CLLr R Nelson - **Wheaton Aston (Vice Chairman)**
CLLr V Renfrew – **Lapley**
CLLr T Noblett - **Wheaton Aston**
CLLr. M. Griffiths - **Lapley**
CLLr M Smith - **Wheaton Aston**
CLLr J Hodgkiss- **Wheaton Aston**

Also in Attendance:

Mrs A Watson - **Parish Clerk**

Apologies:

CLLr A Anderson - **Stretton**
CLLr M Sutton - **Staffordshire County Council**

Absent:

CLLr S Whittingham - **Wheaton Aston**
CLLr E Dadd – **Stretton**

Public forum

No members of the public present

Standing orders were imposed 7.00pm

76.To consider apologies

Apologies and reasons of absence were accepted from CLLr Sutton and CLLr Anderson

77.Declaration of Interests

None to declare

78. Approval of minutes

The minutes of the Parish Council meeting held on 1st September and the minutes of the extra ordinary meeting held on 6th October 2022 were agreed to be a true and correct copy.

79.To receive report from Parish Council Clerk

**Lapley, Stretton and Wheaton Aston Parish Council
Clerks Report**

Information

2.9.22 Lapley finger post arm removed for safety reasons, awaiting a repair – 13.9 update VO is able to repair, a replacement post will be required in the 2023/24 budget

21.9 insurance renewal received for 2022/23 for £2,228.71. confirmed that an LTA will not be offered after this year

27.9 damaged street sign on Caspian Way/Long street reported to SSC

The gate and post at Marston field (top end) requires replacing, added to the 2023 action plan

27.9 OLB survey returned to NALC

28.9.22 lighting columns chapel bank are out, reported

28.9.22 eon account 9cctv power) has been merged to Npower and is now alongside the xmas light account.

Discussion regarding a new contract- advice was the usage is so low it would be costlier due to the standing charges on a contract to commit than being in the default rate of

All Night Units p/kWh 46.508 67.279

Non-Business Day Units p/kWh 56.318 80.720

Nov to Mar Business Day Units p/kWh 76.384 108.209

April to Oct Business Day Units p/kWh 59.355 84.880

Standing Charge £/month £37.50 £37.50

Capacity Charge £/month/kVA £0.887 £0.887

4.10.22 Increase of litter at Stretton, advised Street scene

4.10.22 Drug paraphernalia reported at the bus shelter Stretton, PCSO's advised

Consultations

Speed limit change for Ivetsey Rd/Lapley Rd and Bellhurst Lane:

<http://www.staffordshire.gov.uk/TROStatutoryConsultation>

- Scheme Reference and
- Scheme Location

Outstanding items update

- Allotments- SSC are progressing the landownership with the corporate leadership team
- Birkenshaw Lane update- No update
- Stretton right of way update- No update
- Defib at Marston Field- defib ordered, awaiting an installation date. new pads received and passed to First responders
- Lapley Green registration-. Awaiting update from Tedstone Solicitors

- Map board- installed

- Pothole repair- Afeb completing work in joint venture

- Camp Bestival- SSC officer to request that the organiser contact the office to discuss concerns.

The license for the event is very different to the V festival, Camp Bestival is a family-oriented event with entertainment during the day aimed at children and then adult oriented entertainment on an evening. There is one main stage with several smaller annexes, it was the smaller stages that held the 2am license. The event is smaller overall than V and there was minimal disruption to the traffic on the A5 this year. The organisers addressed issues each night and minimal complaints were received by the final night, next year it is expected that the organisers will begin at this point and improve throughout the weekend as issues arise.

Noise levels were monitored from the event and at low levels

There was a privately held event in WA on the Saturday night which did give cause for concern and would have impacted the noise heard in the parish.

With regard to community funding, this is unlikely but would be a matter for the organisers, as would discounted tickets for a certain radius of the event.

There will be a debrief for SSC members and residents, the officer is to inform the office of the date of this for resident to attend and state issues.

Gated alley Broadholes/Pinfold- Ditton services are reducing the overgrown weeds in the area and removing trees that are causing an issue to residents as a good will gesture. This has been checked with the ROW team.

No update on the proposal to reopen the alley from SSC

Mainstream digital- Bt failed to advised of the account change and charges (£162.84) have been made, clerk has sent these to BT for refunding and will update when available

Street c collection (money) license applied for
£207.90 for 5 ton type one stone for pothole repair at Marston Filed. Afeb will complete the work (and collect stone)
FOC £210 vired from village repairs to fx card

Response to planning comments:

Application 22/00720/FUL none returned

SSC Planning Decision

Not available

80. To receive report from Staffordshire County Council

Member sent details in advance:

SSC are looking build closer relationships with parishes and begin a scheme to carry out works associated with the highways. Parishes are encouraged to build items into the precept, funding can be matched by SSC once the works have been agreed. Works will be around 'streetscene' work and can be gully clearing, repairs etc, projects can be both suggested by and to the parish for consideration.

An update on when the 30pmh zone will be moved to incorporate the new development on Ivestey Road is outstanding and will be shared as soon as it is available. This may be completed when the mph change along the whole road takes place.

Chair- the suggestion to budget for street scheme work was discussed at the Parish Summit and concerns raised about double taxation. SCC member confirmed that this isn't a double taxation concern and is to empower parishes to buy in services

81. To receive report from South Staffordshire Council

Members unavailable

82. To receive report from Staffordshire police accountability forum

LOCALITY 2 POLICE UPDATE

I attended the Locality 2 Police update at Codsall on 11th October. It was hybrid meeting so the new Commander Chris Cotton was with us on Teams, Mr Laing from Safer Staffordshire on Teams and Maggie Quinn from SSDC. No one attended from Brewood PC.

The points he wanted to pass on were:

1. There are now 5 response teams in South Staffs up from 3 and they are on duty 24/7.
2. We now have 3 local policing teams in our area.
3. Locality 2 now has a Sgt - Martin Short. We are asked to contact him in the first instance with any issues we want to discuss or report to the police, rather than contacting the PCSOs. Sgt Short will then allocate any jobs to the PCSOs. This is so Sgt Short has an overview and knows what is going on.
4. Locality 2 has the lowest crime figures in the area although there has been a 20% increase overall in south staffs. Most of it coming from out of area gangs stealing cars.

5. There have been 53 offences of the theft of motor vehicles
6. ANPR cameras (number plate recognition) are installed on the A5 and A449 and are managed by Staffordshire Police. These cameras are proving very useful as the gangs stealing cars have to use these main roads to get in and out of the area. The cameras are monitored 24/7.
7. There has been a 28% reduction in ASB in our area. Although I pointed out that a lot of ASB isn't reported.
8. There has been a 12% reduction in domestic abuse in our area and the police are now able to provide a device to concerned victims which sprays a substance which can be seen by infra red light, so if they are attacked it can be proved who the perpetrator was. It's a bit like the spray forensics use to find blood stains.
9. There has been an increase in agricultural thefts. The police are working with farmers to encourage them to put equipment out of sight and not leave keys in ignitions etc.
10. Cmdr Cotton is setting up impact patrols for ASB.
11. We were informed of a new way the car thieves are now able to steal range rovers.
12. Cmdr Cotton seemed very proactive and keen on local policing and wants police to be seen walking the streets, so we hope that will happen.
13. We have been asked to encourage residents to report anything they are concerned about to the police so that they have a full picture.

It was a positive meeting and we hope local policing will improve. Cmdr Cotton was keen to point out that the police will never stop car crime in rural areas, as soon as they catch a gang, another one appears. However, he thought our local neighbourhood watch scheme WASP was a great deterrent and our smart water village signs was also a great deterrent to thieves. As always, the message is report everything and encourage residents to do the same.

Cllr W Millington

83. Financial matters

Resolved: to accept the following financial matters:

- a) To approve the expenditure and income for August and September 2022
- b) To receive the reconciled accounts to 30th September 2022
- c) To receive the Financial Summary to 30th September 2022
- d) To note payments/decisions made under delegated powers
- e) To note the annual audit return
- f) To approve the following grant requests for the 2023/24 precept:
 - WA Luncheon club £1000
 - Brewood Voluntary Car Scheme £1250
 - Wheaton Aston Beaver Scout group £300
 - Wheaton Aston Beer Festival- for future consideration
 - St Marys PTA £300 once the purpose of the grant has been confirmed as lawful

84. Planning recommendations

Resolved to respond to the following planning matters:

- a) planning applications received:
 - 22/00832/FUL
 - Objection. Hope Cottage is a listed Grade B building of particular interest in the South Staffordshire Conservation Area Management Plan. A new build two storey house would obscure the heritage view of the gardens beyond, contrast starkly with the red brick of Hope Cottage, and the Lapley Lodge heritage barn and house along to the grade 2 listed Lapley House.
 - Hope Cottage has previously divided into two residences, forming Hope Cottage and Hector's House.
 - Parking is limited and often causes obstruction. Particularly Lapley Lodge as the heritage property is difficult for vehicles access. This leads to a great deal of congestion around the top of Park Lane and often utility vehicles cannot gain access.
 - Proposed materials are modern and not in keeping with a conservation area
- b) Planning applications received after the agenda papers distributed: 22/00946/FUL – council need more time to consider and will circulate a response to the clerk
- c) Licensing application: Licence number PL0374
 - Camper Jam @ Weston Park, the variation is to increase the permitted numbers from 19,999 to 29,999 and to add licensable activities to one additional day Thursday from 9am to midnight

Resolved: LSWAPC objects to the license until 12am and suggests an 11pm cut off is more appropriate

Licensing application: Weston Park annual bonfire event 6.11.22

The application is to have permitted numbers up to 14.999, Live Music, Recorded Music, Sale of Alcohol Saturday and Sunday 3pm to 11pm, with the venue open Saturday and Sunday 1pm to 11pm

Resolved: LSWA PC do not have any objections

85. Camp Bestival

Clerk gave the following update:

SSC officer to request that the organiser contact the office to discuss concerns.

The license for the event is very different to the V festival, Camp Bestival is a family-oriented event with entertainment during the day aimed at children and then adult oriented entertainment on an evening. There is one main stage with several smaller annexes, it was the smaller stages that held the 2am license. The event is smaller overall than V and there was minimal disruption to the traffic on the A5 this year. The organisers addressed issues each night and minimal complaints were received by the final night, next year it is expected that the organisers will begin at this point and improve throughout the weekend as issues arise.

Noise levels were monitored from the event and at low levels

There was a privately held event in WA on the Saturday night which did give cause for concern and would have impacted the noise heard in the parish.

With regard to community funding, this is unlikely but would be a matter for the organisers, as would discounted tickets for a certain radius of the event.

There will be a debrief for SSC members and residents, the officer is to inform the office of the date of this for resident to attend and state issues.

86. Forward planning and maintenance

Resolved Mr Bissell to carry out works required within the village repairs budget. A new post will be required for Lapley Green in the 2023/24 budget

87. Broadholes Lane project update

Clerk update: The tender date has closed and only one tender was received, agreed this exceeded the expectations for price.

Access to the area is an issue and the council should seek advice on alternate ways to progress the project.

Following discussion on how to progress the project the following was **resolved**:

- Tender- re-tender is required. Council to seek advice on how to progress the project. Clerk is speaking with officers at SSC to clear area and consider retender once the area is cleared
- Reptile method statement appoint BioMe to conduct
- Amphibian method statement- appoint Biome to conduct £500 for both statements
- Hedgehog inspection – not to appoint at present as work may begin post season
- Badger report- only required if work begins after the six-month period from the ecology report is breached

Resolved to note and action any items highlighted in the following items from the recent reports as considered by the allotments working party:

AIA:

- Overhanging trees off site to be cut for clearance
- In root protection areas hand digging only

Both items to be included in the tender

Ecology Report

- Bat review of two alders- 6.10.22 appointed BioMe ecology to conducted report, to be completed 12.10.22. Boxes to be removed and reinstated after work is complete
- Translocation knowledge of fruit trees required by contractor
- Tree lines and aligned shrubs to enhance site for wildlife corridors- knowledge required by contractor
- Amphibian method statement required- BioMe can provide
- Badgers Survey- only required if work isn't started within 6 months (august 22) of ecology report being conducted- check if BioMe can provide
- Artificial lighting plan is required- no lighting required
- Remove trees and shrubs outside of nesting season (March to august), remove and replace bird boxes. If removal is in breeding season then a survey must be carried out 24 hours beforehand by

- Hedgehog inspection if work begins 1st Nov to 31st March- check with BioMe if they can action.
- Reptile method statement is required- BioMe to provide
- Badgers- no access to area so only likely that the area is used for foraging and commuting
- Amphibians – recommend to incorporate at least one pond into the plan- agreed not to add a pond due to health and safety concerns over young children using the area. Resolved to add a small (50cm x50cm) area near the bee home in the grasslands
- Create wild flower area to encourage flora
- 5.4.5 noted to add hedgehog tunnels to the fencing however current fencing is to remain so therefore the site cannot be accessed.
- Query to replace proposed fence with a hedgerow
- Create area for log piles for wood to rot naturally, insect houses, bee houses, leaf piles near to a grassland area to be incorporated in to the wild flower area. Compost bins to be in each plots with the raised beds sharing larger bins
- Reptile- create grassland area- to incorporate this in to the wild flower area at the far end of the development. 1/3 grassland, 2/3 wild flowers.

Drainage strategy

- Site is located in flood zone 1, a risk of flowing is less than 0.1 AEP(annual exceedance probability)
- Planning app requires the pc to ensure that the application will not increase flooding elsewhere
- Report suggests that the area is counterbalanced by crops and would improve the drainage system through crop plantation and trees which would consume plenty of water through bio diversity
- Reports noted a well thought out, eco friendly and sustainable drainage system including plenty of permeable amenity spaces and a sufficient number of areas and shrub plantation around the boundaries including a water trough
- Report recommends utilising the rainfall- trough planned

88.Bat report

Report accepted. No need for further action

89.Policy update

Resolved to approve the risk management record

90. Health and safety

Resolved to form a working party to cover Health and Safety issues, members: Cllr W Millington, Cllr R Nelson, Cllr S Whittingham, Cllr J Hodgkiss

Resolved to adopt the updated health and safety policy

Resolved to approve a workstation assessment for the office cost £100

91. Christmas light event

resolved to approve:

- Christmas emergency plan
- Christmas lights risk assessment
- Christmas tree risk assessment

Decorations for the Christmas tree festival will now be street names in the parish

92.Energy bill crisis

Resolved to fund £1300 to hire the community space at St Marys Church to create a warm space. This is to be manned by church volunteers. A community food share point has been established with the support of the Spar, a box to donate will be available at the Spar and then the share box 'take what you need and leave what you can' will be taken to St Mary's first academy on Mondays and left at the church on Wednesday Cllr Noblett, Cllr Hodgkiss and Cllr Millington to coordinate the box

93.SSC Housing and Homelessness strategy

Resolved to comment

LSWA PC identifies a need for more housing association houses rather than private rentals as it is in increasing the prices and making home unaffordable. The prices of new homes within the parish are still high for the district and is excluding younger families to buy in the parish and stay near family.

94.20 is plenty campaign

Resolved not to pursue the scheme

95. Staffordshire Playing Fields Association subscription

Resolved to subscribe for £20

96. Items for future

None raised

97. Date of next meeting: 8th December 2022 at 7pm at Lapley and Wheaton Aston Village Hall. Note this is the precept meeting. This is subject to change due to the ongoing Coronavirus situation.

PC Surgery: a representative from the Council will be available from 6.30pm for parishioners to raise any concerns.

Signed..... Chairman.....

Meeting closed at 8.20pm

Crime and Disorder Implications

Section 17 of the Crime and Disorder Act 1998 places a duty on local authorities to consider the crime and disorder implications when exercising its functions with due regard to the likely effect of the exercise of those functions and to do all that is reasonably can to prevent crime and disorder in its area. Where relevant any decisions made at the Parish Council meeting have taken this duty of Care into consideration
