19.4.23 Primrose Bank Play Area Annual Inspection identified areas underneath the MultiPlay Toddler Area grass matrix tiles as having compacted soil. The report suggests Soil is compacted on them, which “may have an effect on the impact absorbing properties of the surface. Quote obtained from RospaPlaySafely for £645 plus VAT (Total £774).

E-mailed Dittons for a quote to lift mats, put in new soil and grass seed and replace the matting as this is likely a more cost-effective option.

In order to restore service when a branch closes, we require an operator for the service and premises to operate from. We also have to ensure that the proposal to restore service is viable for both Post Office and the operator. We are currently advertising the opportunity to run Wheaton Aston Post Office on our website <https://runapostoffice.co.uk/branch/wheaton-aston-post-office-stafford-st19-9nf> but haven't yet received any interest in the opportunity. If you are aware of any local retailer who may be interested in running Wheaton Aston Post Office, then please do share this link with them. They can register their interest through the linked page and we will support them through the application process. Thank you for contacting us and I hope you're reassured of our commitment to restore service to Wheaton Aston and as soon as we do have a confirmed proposal to restore service, we will of course update stakeholders and the community with the details.

#### **18. Planning recommendations**

Resolved to comment:

- a) planning application 23/00327/FULHH-Harwood Pinfold Lane – No objection
- planning application 23/00276/FULHH- Hope Cottage Lapley Resolved to object on the following grounds: application states that the stables adjacent are derelict, which they do not appear to be and are part of an 18<sup>th</sup> Century heritage courtyard. Hope cottage is a grade B heritage building. This application requires further parking which will involve losing green area , another house build application has received be built on a small plot near an already sub divided house. The building is aesthetically different to nearby buildings, the height of the building is unacceptable Previous objection (to follow) remains: Hope Cottage is a listed Grade B building of particular interest in the South

Staffordshire Conservation Area Management Plan. A new build two storey house would obscure the heritage view of the gardens beyond, contrast starkly with the red brick of Hope Cottage, and the Lapley Lodge heritage barn and house along to the grade 2 listed Lapley House. Hope Cottage has previously divided into two residences, forming Hope Cottage and Hector's House. Parking is limited and often causes obstruction. Particularly Lapley Lodge as the heritage property is difficult for vehicles access. This leads to a great deal of congestion around the top of Park Lane and often utility vehicles cannot gain access. Proposed materials are modern and not in keeping with a conservation area

Planning applications received after the agenda papers distributed: 23/00361/FUL Bellhurst lane.

. LSWA PC wish to object to this application as there are not any proposed agriculture ties protecting the area and it is believed there should be in an open space that is replacing a stable. The previous objection (to follow) remains: Objection on the ground that the Internal space is 60sq m which falls between the standards outlined in the Adopted core strategy of 2012 of 1 bed 2 persons 51sq m 2 bed 3 persons 66sqm , this application is for two bedrooms at 60sqm. Secondly, concerns raised that the area is open countryside and the change from stables to a dwelling would be change of use outside of agriculture. Overall this is considered to be an application of adverse effects on the rural economy'

### 19. Policy Review

- Complaints Procedure
- Financial Regulations

### 20. Allotment update

Update:

SSC have staffing issues and are unable to continue with stage two of the project. They are seeking alternate contractors at a fair price for consideration. Clerk will obtain additional quotes, recommend a joint working group meeting to consider and recommend.

### 21. Bench replacement

Three new benches are required in the 2023/24 action plan. Clerk requested members view from the current supplier <https://www.davidogilvie.com/products/seats-benches>. Maintenance and forward planning to consider bench detail and report to full council.
