Notes from the Local Transport plan:

SCC plan to have the plan in place by March 2025 which will last through until 2050. They are seeking the thoughts from local councils on what our three key concerns would be for the future.

The plan is to be net zero by 2050 and to do so they wish to eliminate the usage of cars in the county at the level they currently are. They hope to see less single use cars on the roads so will encourage carpooling, more use of pubic services and have highlighted that the use of electric cars will not be enough to meet the climate targets

The three key areas are:

Deter motorised travel

Strengthen community travel

Improve connectivity

They also wish to improve virtual connectivity as working from home etc sees less on the roads

They believe that the key to achieving this is to change behaviours

I asked about an electric tram infrastructure for the county and was told that there couldn't be one due to the road infrastructure- roads not being wide enough to add a system on to

Response to planning comments:

Planning app 24/00643/FUL 'LSWA PC objects on several concerns. The current stable building is in poor condition and dilapidated suggesting a whole rebuild would be required. The area is in a flood zone site which gives more concerns to the condition of the stables and if they would sustain flooding as a residential dwelling.

There are very few details on the proposed usage which raises concerns that the property may be used for commercial gain. LSWA PC would suggest that this needs clarifying

The change from agricultural use to residential use- will there be an agricultural tie to the property?

LSWA PC has concerns that this development might lead to future expansion from this application.

The covering letter states that Wheaton Aston is within walking distance. This is not a safe route, there is not pavements for the entire length or streetlights covering the whole area.

Currently the bus service has been drastically reduced which may affect isolation'

To consider the updated Grievance and Disciplinary Policy

1. GRIEVANCES & DISCIPLINE

1.1. Informal Grievances

If you are unhappy with an element of your employment with the Council, you should initially discuss the matter with the Clerk/Chair of HR on an informal basis.

If you are uncomfortable about talking to the Clerk/Chair of HR, you should approach the Chair of the Council.

1.2. Informal Conduct / Performance Investigation

Should the Council be unhappy with either an Employee's conduct or performance, they will initially discuss their concerns with that Employee on an informal basis.

The purpose of this meeting will be to provide guidance and support to address the problem. For this reason, notes will be taken during this meeting, and all present will be asked to sign the notes.

Normally, a Performance Improvement Plan will be produced, see Appendix 1.

A Panel from the Council and the Employee will attend this meeting. There will be no entitlement to be accompanied.

1.3. Mediation

In the event that an Employee is unhappy with the outcome of the Informal Grievance Procedure, or either party do not feel that performance / conduct issues are being addressed effectively, either the Employee or the Council request that the matter be subjected to mediation.

This will involve the use of a third party Mediator. In its simplest form, Mediation will involve the Mediator talking to either party individually, to listen to their side of the issue. If the Mediator feels that a resolution to the problem is possible, a meeting will be arranged between all parties at which the Mediator will set out their assessment of the issues and invite both parties to reach their own resolution.

The resultant action plan should have the agreement and support of both parties, be set out in writing and be signed by all involved in the Mediation process.

1.4. Formal Grievances

In the case of Grievances not being fully resolved at the informal stage, a formal written approach is required to the Council. As a consequence, a formal Grievance Hearing will be held to address the matter, within twenty-eight days of receipt of the Employee's letter.

The Hearing will be conducted by a Panel of between two and three Elected Members who will be appointed by the Council or the HR Committee, should the Committee's Terms of Reference require it to do so.

At this Hearing Employees are entitled – and encouraged – to be accompanied by a work colleague from the Council or Trade Union/ALCC Representative. Employees will be entitled to set out the reasons for the complaint, and what they want to happen to resolve. It.

Their Representative can present their Grievance and sum up on the Employee's behalf. If the Grievance Panel have any questions they will be asked once the Employee has finished giving their side of events.

Employees will be informed in writing of the outcome of the meeting within seven days of the Hearing.

If the Employee making the grievance is unhappy with the response to the meeting, they can issue an Appeal, in writing. This Appeal must be submitted within seven days of receiving the response to the original grievance meeting.

Please Note

Any Formal Grievance complaint, which concerns the conduct of a Councillor, will be addressed as a Code of Conduct complaint by the Council, and will be referred to the District Council's Monitoring Officer. This Council will not address the Employee's Formal Grievance against an Elected Member. It will be addressed by the Monitoring Officer.

The Process

Upon receipt of any complaint, the Council or appropriate Committee will conduct an informal investigatory meeting with the Employee to establish if there are any issues that can be addressed by the Council, or is it solely concerned with the Code of Conduct. This investigatory meeting will be arranged within seven days of receipt of the complaint. If there are non-Code related issues, such as work environment, or hours of work or pay, the Council could conduct a Formal or Informal Grievance process to address those problems, as detailed in s1.4.

However, Code of Conduct related complaints will be referred to the Monitoring Officer by the Council, in accordance with guidance from the Committee on Standards in Public Life's.

The Council should keep the Employee fully informed of the progress of their complaint.

1.5. Formal Discipline (this procedure only applies to Employees with two or more years continuous employment. Those with less may be subject to a short service dismissal for misconduct or poor performance).

If an issue regarding an Employee's conduct, behaviour or performance is not fully addressed at the informal stage, the Council will pursue the matter through its formal Disciplinary Procedures. Typical examples of areas of concern may be poor performance, unacceptable and unexplained absenteeism, poor conduct and behaviour at work, or lack of capability by an Employee to carry out their job.

There are four-steps to the procedure, which increase in severity of its outcome if the issue is not resolved at the previous step. Each step involves a Formal Hearing between the affected Employee and a Disciplinary Panel, from the Full Council or HR Committee. The Employee will be given every opportunity to put their side of the issue. Meetings will be conducted as soon as reasonably possible after the incident(s), which are being investigated to ensure that facts and witness statements are clear and up to date. At this meeting Employees are entitled - and encouraged - to be accompanied by a work colleague from the Council, or Trade Union/SLCC Representative.

The Employee will receive a letter of invitation to the Hearing, which will contain details of the allegations to be addressed.

All evidence that will be used in the Hearing will be included with the letter of invitation, and supplied to the Employee at least two days before the Hearing.

During the Hearing the Employee will be given every opportunity to present their response to the allegations. If the Panel have any questions they will be asked once the Employee has finished.

Their colleague or Union Representative will be able to present their case and sum up at the end, but not answer questions on the Employee's behalf.

If the allegation of misconduct is proven, the meeting may result in the following action being taken by the Council Management against the Employee:

STEP No	ACTION TAKEN	LIVE PERIOD	MANAGER RESPONSIBLE
1	Formal Oral Warning	Six months.	Disciplinary Panel
2	Formal Written Warning	Twelve months	Disciplinary Panel
3	Final Written Warning	Twelve months	Disciplinary Panel

4	Termination	of	N/A	Disciplinary Panel
	Contract	of		
	Employment			

Particularly severe acts of indiscipline may result in the Management bypassing Steps 1 and 2.

1.6. Gross Misconduct (this procedure only applies to Employees with two or more years continuous employment. Those with less may be subject to a short service dismissal for misconduct or poor performance).

Acts of Gross Misconduct, if proven after an appropriate investigation and a Disciplinary Hearing, will result in Dismissal without notice.

An informal investigatory meeting as detailed in s1.2 may or may not be conducted to establish the facts, depending on the circumstances.

Employees accused of Gross Misconduct will be suspended on full pay and receive a written invitation to a Formal Disciplinary Hearing, giving them details of the allegation they are to answer, the date, time and venue of the meeting, and also inform them of their right to be accompanied by a work colleague from the Council or trade union/SLCC representative. The letter will provide a minimum of 2 working days prior notice to the meeting. It will also advise the Employee that dismissal without notice pay is a possible outcome.

The Council recognises the following as acts of Gross Misconduct. (This is not an exhaustive list).

- 1) Theft.
- 2) Abusive or threatening behaviour of any nature.
- 3) Being under the influence of alcohol or drugs at work.
- 4) Serious/Gross dishonesty in dealings with Management.
- 5) Sexist, racist or any other behaviour against an individual, which could be classed as creating a hostile, intimidating or threatening environment.
- 6) Breach of confidentiality.
- 7) Failing to carry out reasonable Management instructions.
- 8) Fighting and acts of aggression.
- 9) Deliberately damaging Council property.
- 10) Deliberate breaches of Council Health and Safety procedures.
- 11) Unauthorised access to Council computer files, software or any other such breach of confidentiality.

Employees who have been dismissed for acts of Gross Misconduct do have a right to Appeal against their dismissal, as detailed in s1.7.

1.7. Appeal Procedure

Employees have the right to Appeal against a decision made at any Formal Disciplinary step. Appeals should be made to the Chair of the Council in writing, and submitted within seven working days of the disciplinary meeting having occurred.

A Formal Appeal Hearing, involving the Employee and an Appeal Panel. Members of the Appeal Panel must be able to demonstrate impartiality in conducting the Hearing, Ideally they will not have previous knowledge of the disciplinary action. However, it is acknowledged that this is not practical in small Councils. Therefore they need to demonstrate impartiality by assessing all of the evidence presented, asking wide ranging and evidence based questions, and providing a comprehensive, balanced and fact based outcome decision.

The Hearing will be held within fourteen days of receipt of the appeal request. At this meeting, Employees are entitled - and encouraged - to be accompanied by a work colleague from the Council or a Trade Union/SLCC representative.

The Employee making the appeal will be informed in writing of the outcome of the Appeal Hearing within seven days.

Memorial Dedications Policy

Adopted by Lapley, Stretton and Wheaton Aston Parish Council on 24th October 2019

OBJECTIVES OF THE POLICY

Lapley, Stretton and Wheaton Aston Parish Council (subsequently known as LSWA PC/the Council) recognises the need to allow memorials benches, trees and shrubs on land in its ownership or care. The Council will ensure that the issue is managed and regulated for the mutual benefit of all. The policy will be reviewed every five years and proposed amendments shall be submitted to the Council for approval. This policy will be made available to the general public and all applicants for memorial benches, trees and shrubs will be issued with a copy.

The policy will also ensure that only memorial benches, trees and shrubs are erected which are instigated by the next of kin, executor or an organisation with the permission of the next of kin and that benches have a common appearance, style and size which are appropriate for that location and will not cause offence to others.

The policy will establish responsibility for maintenance, repair and replacement.

The Council, through this policy, will endeavour to always offer the highest standard of service in undertaking its management and regulatory responsibility.

LOCATION

Land in the ownership of the Council is limited to land at Marston Field (off Marston Road), Badgers End, Primrose Play Area (off Primrose Close) Lapley Road (near Sunnybank Caravan Park) and Lapley Green (triangular shaped land off Church Lane, Stretton Road and Park Lane, Lapley).

The planting of Memorial trees and shrubs will only be carried out between November and February to ensure the most efficient growing conditions.

MEMORIALS

The Council will limit the number of memorial benches so that they shall not detract from their prime purpose. The Council reserves the right to refuse applications on this basis.

The maximum number of benches permitted at each area is:

Marston Field- 8 benches

Badgers End- 2

Sunnybank/Stretton- 2

Lapley Green- 2

Primrose Play Area- 2

Subject to there being a suitable location, LSWA PC can offer to site the following memorials:

- Memorial tree with or without a plaque
- Memorial shrub with or without a plaque
- Memorial bench with plaque
- Memorial plaque on an existing bench

The Council shall specify the type and number of benches, trees and shrubs to be installed/planted to be in keeping with the intended location.

MEMORIAL DEDICATION PERIOD

All memorials are based on a 10-year agreement, and can be renewed after this period if the applicant wishes. The fee covers the purchase, delivery and installation of the memorial, together with the ongoing maintenance for the 10-year period.

Upon the end of the 10-year period any memorial plaques shall be removed and may be collected by the applicant. Ownership of the bench remains with the applicant. Following the ten-year period the applicant can renew the agreement with LSWA PC. If the agreement is not renewed LSWA PC reserve the right to remove and/or destroy the bench. The cost of this is to be considered on an individual basis dependant upon the condition of the existing bench.

INSCRIPTIONS FOR BOTH BENCH & TREE PLAQUES

Memorial plaques shall be affixed in the centre of the upper most lath of the back of the bench. In the case of trees and shrubs plaques shall be secured by a central pointed fixing.

The inscription on the plaque is to be "In (Loving) Memory of" the name of the person and the dates of birth and death. Further inscription will be at the discretion of the Parish Clerk.

PROCESS

Once an application has been received and location agreed, the Council shall arrange for the purchase and planting/installation of the preferred memorial.

The Council reserves the right to remove any memorial benches, trees or shrubs that have been damaged and are in the view of the Council beyond economical repair.

The Council accepts no liability for damage to any memorial benches, trees or shrubs from vandals, third parties or whilst the Council, or any third party on behalf of the Council, carries out routine maintenance.

The Council will not grant applications for memorial benches to pets.

No additional mementoes e.g. vases, statues, flowers, wreaths, balloons or other ornamentation etc., shall be permitted on or around the bench. These shall be removed without reference to the original applicant.

PAYMENT

Payment of £1,000 per bench (for ground preparation), £150 per tree and £50 per shrub is required with every completed application form. Cheques should be made payable to Lapley, Stretton and Wheaton Aston Parish Council.

Benches are to be approved by the Council and funded by the applicant

CONDITIONS

The Council reserves the right to refuse to plant trees, install benches or place memorial plaques where suitable, but will, where appropriate, accommodate requests.

Once planted/installed, the tree/shrub/bench cannot be repositioned or removed from the site. However, should a tree or bench become unsafe, the Council reserves the right to remove immediately in the interest of health and safety until repairs or replacement can take place.

The Council will maintain responsibility for the memorial and associated plaque during the 10-year period. This will include any preservation, treatment and minor repair works.

The fee is nonrefundable

Ownership of the bench remains with the applicant. Following the ten-year period the applicant can renew the agreement with LSWA PC. If the agreement is not renewed LSWA PC reserve the right to remove and/or destroy the bench. The cost of this is to be considered on an individual basis dependant upon the condition of the existing bench.
